All mail orders will be filled in the order received. April, May, June, September and October.

NO ORDER FILLED FOR LESS THAN \$3.00 PLUS \$1.00 for

Postage, Insurance, and Packing on all plants and rooted-cuttings. These are sent in plastic pots, unless Air Mail is desired, in which case they are carefully removed from their pots and wrapped in aluminum foil. We believe plants take shock and shipping better if the roots are not disturbed. Add 50¢ on all leaf orders only. If you wish Special Delivery, add 50¢ to the above shipping charges. AIR MAIL - add 50¢ extra on all leaf orders and \$1.00 extra on all plants or rooted-cutting.

INSURANCE is paid on your order for your protection as well as ours. In case of any unreasonable damage to your plants during mild weather Please be sure to take the entire order and its wrapping to your Postmaster and file a claim with him at once. Then notify us also as we must go to our Postmaster and sign your claim. We have shipped many orders to the East Coast and also to the West Coast with excellent results and have many letters of complete satisfaction, yet occasionally mistreatment or negligence by some postal employee cause unreasonable damage and a claim for damages must be filed by YOU for the price of any replacement.

ORDER EARLY and LIST SUBSTITUTES. Some varieties are limited and some are in greater demand than others. If your order states a preference of plants or rooted-cuttings, we will try to ship what you asked for, but the final decision will have to be made by what we have to ship.

Basic 1959 List and ORDER SHEET

Due to an increase in the cost of printing, postage and advertising our Basic yearly lists will be mailed free only to customers who have placed an order with us during the previous year. Kindly give any extra list you may receive to another "Violet-lover." Others may get a list (printed on pink paper) by sending a dime and applying the 10¢ as credit on their first order. No credit on white order sheet.

Please return this sheet to us when you place an order, we will send another back or mail a copy to you when we ship your order. Just check the varieties you would like us to send, list the cost on the space provided, and write "Sub." after those you will accept as substitutes, in case we are out of a variety. (One or more of the substitutes you select are often sent as a gift, bonus or extra.)

WHOLESALE - A very good deal for beginners, collectors, and dealers. OUR selection only - 25 nice plants for \$10.00 Postpaid. You may cross out the varieties you already have and do NOT want or make an alphabetical list of those you have. We do All selecting.
